Celebrating Academic Excellence

Greetings!

All the best for the new edition of the newsletter, as Caritas College of Nursing continues to be the epitome of nursing education in Kerala. Caritas College of Nursing makes us proud again by achieving the A+ score in the accreditation in Quality Assurance Standards instituted by the Kerala University of Health Sciences, Thrissur.

Since the inception of Caritas College of Nursing under the wings of Caritas Hospital Trust in December 2002, this institute has been the jewel in the crown of Caritas hospital. Among more than 150 Nursing Institutes in Kerala, only 10 could achieve this prestigious accreditation so far. This serves a testimony on how prestigious this recognition is for us and this gives us immense confidence as we prepare for NAAC Accreditation by paving new pathways in achieving gold standard in academic research and curricular activities with renewed vigour.

We continue to emphasize on value education, intellectual and clinical training of the students so that they can excel in their nursing career. I would like to reiterate that we are committed to improve the health of individuals and communities.

I'm sure that this achievement will motivate us to improve and make the quality of learning of the students in our college more efficient with research, academic and non-academic activities.

Everyone who contributed in this achievement of Caritas College of Nursing, Prof.Ms. Twinkle Mathew, Principal, Prof Sr. Lisy John, Vice Principal, Ms. Asha Liz Mani, IQAC Co-ordinator, faculty, non-teaching staff, students, parents and our alumni deserves heartfelt thanks and appreciation.

Well done!

Let Caritas College of Nursing be known for its excellent services in the field of nursing education.

May the awards and recognitions continue to motivate us. Above all, may our students be able to sanctify the field of patient care with empathy and dedication.

With immense pride,

Rev. Dr. Binu Kunnath
Director

PROF. MS. TWINKLE MATHEW
PRINCIPAL
Caritas College of Nursing

Celebrating Excellence in Nursing Education - A Plus Achievement in QAS Accreditation by Kerala University of Health Sciences, Thrissur.

I am delighted to address you through our esteemed newsletter, and it brings me immense joy to share a moment of pride and achievement with each one of you. Caritas College of Nursing has recently undergone a comprehensive accreditation assessment by the Kerala University of Health Sciences, focusing on Quality Assurance Standards (QAS). I am thrilled to announce that our institution has not only met but surpassed expectations, securing an A Plus score.

This accomplishment is a testament to the unwavering dedication, hard work, and commitment of our entire faculty, staff, and students. It reflects our shared commitment to delivering excellence in nursing education and upholding the highest standards of quality.

The QAS accreditation process is a rigorous one, designed to ensure that educational institutions consistently meet and exceed benchmarks in curriculum, infrastructure, faculty expertise and overall learning outcomes. Achieving an A Plus score speaks volumes about the exceptional quality of education and training provided at Caritas College of Nursing.

As we celebrate this milestone, let us not forget that it is a collective effort. Our faculty members have consistently demonstrated their expertise and passion for teaching, our administrative staff has efficiently managed the operational aspects, and our students have embraced a culture of learning and professionalism.

This achievement is not just a recognition of our past efforts but also a call to sustain and elevate our standards further. It positions us as a leader in nursing education, setting an example for others to follow.

I would like to express my heartfelt gratitude to our very supportive management, led by Fr. Dr. Binu Kunnath, each member of the Caritas College of Nursing family for their contributions to this success. Let us continue to work together, innovate, and strive for excellence in all our endeavors.

In closing, I invite everyone to take pride in this achievement and to look forward to the promising future that lies ahead for Caritas College of Nursing.

Wishing you all continued success and growth.

Prof. Ms. Twinkle Mathew
Principal
